Subject: letter to boards

Hi Dave and Mark,

The CGFD met last night to bring our members up to speed on the contract dispute. We decided to write a letter summarizing our opinion of the situation.

board letter.doc
(363 KB)

Some of what is in this letter was also in an email to you from Ben Lukens the other day.

Please read and forward this document to the other members of your respective boards.

Sincerely,
Andrew Wieberdink
Secretary, CGFD
